

RevOps Bulletin

NEWSLETTER | JANUARY 2024

Brought to you by our RevOps rockstars 🌟

We read somewhere: "Emails can create valuable personal touches."

So, we disabled the "do-not-reply" option coz we value real connections and those will be created once you DO reply. 😊

Hit us up with your RevOps challenges/achievements. We are on the edge of our seats, about to fall with curiosity. 🤔

Right marketing automation platform = Faster conversions 🚀

HubSpot and Pardot are like cousins, with similar bloodlines and slightly different characteristics and features. 🙌

But, only one out of the two would gel well with your business systems. To know which one would be the right fit, we have listed out the reasons why you should pick one over the other as per your requirements.

Give it a read to settle the "this vs that" running in your mind. 🤖

Simplify customer journey, optimize sales, and boost revenue 🤖

HubSpot is a powerful CRM with its own payments functionality, but it has its limitations.

Integrating HubSpot and Stripe allows you to enjoy a superior payment interface, customize the buyer experience, and add-in subscription controls while still having all your data in HubSpot. Read this blog for more insights and a detailed setup guide.

HubSpot product updates: Freshly brewed ☕

Copy permissions from existing users 🆕

Customers can now seamlessly transfer permissions from an existing user to a new user, an existing user, a new custom permission set, or an existing custom permission set in HubSpot.

This feature simplifies the process by enabling users to copy permissions effortlessly.

Available for all hubs and tiers.

New Opt-out cookie consent banner

HubSpot's 'opt-out' banner simplifies cookie management in regions with looser data privacy rules than the EU, allowing default visitor tracking with opt-out flexibility.

This feature offers flexibility globally, acting as an alternative to mandatory 'opt-in' banners in stricter regions. It supports default user tracking, aligning with less stringent compliance standards and optimizing data collection in applicable regions.

Available for all hubs and tiers.

The love we get from our customers 🥰👂

(Our customer reviews are so positive, they make unicorns jealous 🦄)

“

"Despite the time difference, they are committed to finding solutions to our unique needs."

Their timeliness of project progress was impressive. The team has continued to support our changing needs with great communication, friendly engagement, clear direction and training on how to use the system, and reasonable pricing.

We love that sweet, sweet sharing vibe. When you pass the RevOps Bulletin to your B2B comrades, consider it a secret handshake. More shares, more content magic—we'll keep the laughs coming while you conquer the RevOps world. It's like a win-win but with fewer handshakes and more virtual nods.

Cheers to reciprocity, B2B style! 🌍 😊

Until then,
Yours truly!
